Section 2: Compliance with the Wellness Policy

Specific goals are in policy:

- Nutrition promotion and education,
- Physical activity, and
- Other school based activities that promote student wellness.

- Standards and nutrition guidelines for all foods and beverages sold to students before, during and 30 minutes after the school day.
- Standards for all foods and beverages provided, but not sold, to students during the school day (e.g., in classroom parties, classroom snacks brought by parents, or incentives).
- Policies for food and beverage marketing that allow marketing and advertising of only those foods and beverages that meet the Smart Snacks in School nutrition standards.
- Description of public involvement, public updates, policy leadership, and evaluation plan.

Section 3: Comparison to Model School Wellness Policies

Areas with Similar Language	Potential Areas to Strengthen Language
-Preamble -Committee members makeup -Other areas throughout to include individual statements in each goal area	- List of committee members - Staff Wellness

Areas with Similar Language	Potential Areas to Strengthen Language
<p>-Policy is fairly close to IASB policy recommendation</p> <p>-Our policy is much shorter and to the point. The sample policy is too wordy and would not be read by most.</p>	

Section 4: Progress Towards Goals

- Progress report is available in this website tab also as a separate document
